# Services Offered

## INTERIOR & EXTERIOR DEEP CLEANING

### Interior Cleaning:

We focus on hard-to-reach areas such as baseboards, behind appliances, and inside cabinets. We provide sanitising and disinfecting services for high-touch areas, ensuring a germ-free and allergen-reduced environment. We pay attention to carpets, upholstery, and even the air vents to provide a thorough clean.

### Exterior Deep Cleaning:

Designed to remove dirt, grime, and stains from the outside of your building or home. We clean windows, pressure wash siding, patios, driveways, and walkways, and remove any dirt or debris that may have accumulated over time. We use eco-friendly solutions to ensure both effective cleaning and the protection of your property's surfaces.

## PRE & POST CLEANING (MOVE-IN / MOVE-OUT)

### Pre-Cleaning (Before Move-In):

We thoroughly clean and prepare your new home or office before you move in, ensuring a fresh start. This includes deep cleaning all surfaces, carpets, windows, kitchen appliances, and bathrooms to remove any dust, dirt, or leftover residue.

### Post-Cleaning (After Move-Out):

When you leave a property, we ensure that it is ready for the next tenant or owner. This includes any spots that may have been neglected, like under appliances or inside closets. We also handle trash removal & any final touch-ups to restore the property to its original condition.

## OFFICE CLEANING

Our office cleaning services are tailored to the needs of your workplace. We offer flexible cleaning schedules to minimize disruptions to your operations, whether it's daily, weekly, or on-demand. Our services include:

- Desk and work area cleaning
- Dusting and sanitizing of surfaces
- Emptying trash bins and replacing liners
- Cleaning breakrooms and restrooms
- Disinfecting high-touch areas to ensure a healthy, productive environment for employees & clients.

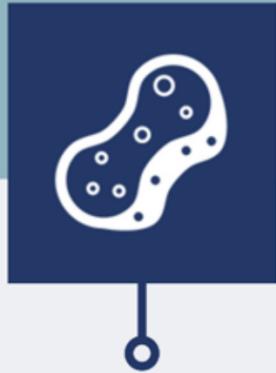

We understand the importance of maintaining a professional image, so we work around your schedule to ensure minimal interference with your workday.

## WASHROOM TREATMENT

Our Washroom Treatment services are designed to keep your restrooms clean, fresh, and hygienic. We provide thorough cleaning & sanitization of all surfaces, including toilets, sinks, mirrors, and floors, using high-quality, eco-friendly products. Our team also focuses on odor control, ensuring your washrooms remain fresh and inviting for employees, clients, and guests. Regular maintenance & deep cleaning treatments help reduce the spread of germs and bacteria, creating a safe and comfortable environment for all. Whether for commercial spaces, offices, or residential properties, we guarantee a superior standard of hygiene and cleanliness in every washroom we service.

# Services Offered

## WINDOW CLEANING

### Interior & exterior window cleaning:

Keeping your windows sparkling clean, streak-free, and crystal clear. Our services include:

- Residential window cleaning (single-family homes, condos)
- Commercial window cleaning (offices, storefronts)
- High-rise and hard-to-reach windows (using ladders, scaffolding, or other safe methods)

We remove dirt, smudges & stains to ensure your windows enhance your property's aesthetic and allow more natural light in. For larger properties, we also offer screen cleaning and frame washing to ensure a complete, polished finish.

## POST-CONSTRUCTION CLEANUP

### After a construction or renovation project:

There's often a significant amount of dust, debris, and leftover materials to clean up. Our post-construction cleanup service is designed to leave the space move-in ready. We handle:

- Removal of construction dust and dirt from floors, walls, and ceilings
- Cleaning windows, doors, and trim
- Clearing out leftover materials such as nails, screws, and debris
- Wiping down surfaces, including countertops, shelves, and cabinets
- Disinfecting bathrooms and kitchens

We ensure that your newly renovated or built property is spotless and ready for use, allowing you to enjoy your space immediately without the hassle of cleaning up after the construction team.

## PEST CONTROL

### Pest control services:

To ensure that your property remains pest-free by preventing infestations and eradicating existing problems. We offer:

- General pest control for ants, cockroaches, spiders, rodents, and more Rodent control (mice, rats, squirrels) with traps, exclusion, and preventative measures
- Insect control (termites, bed bugs, fleas, etc.)
- Eco-friendly solutions to keep your environment safe for pets, children & the planet
- Ongoing monitoring and treatment plans for continued pest prevention

We tailor each plan to your specific needs and work with you to ensure that your home or business stays free of pests, no matter the season.

## PROPERTY MAINTENANCE

### Comprehensive property maintenance:

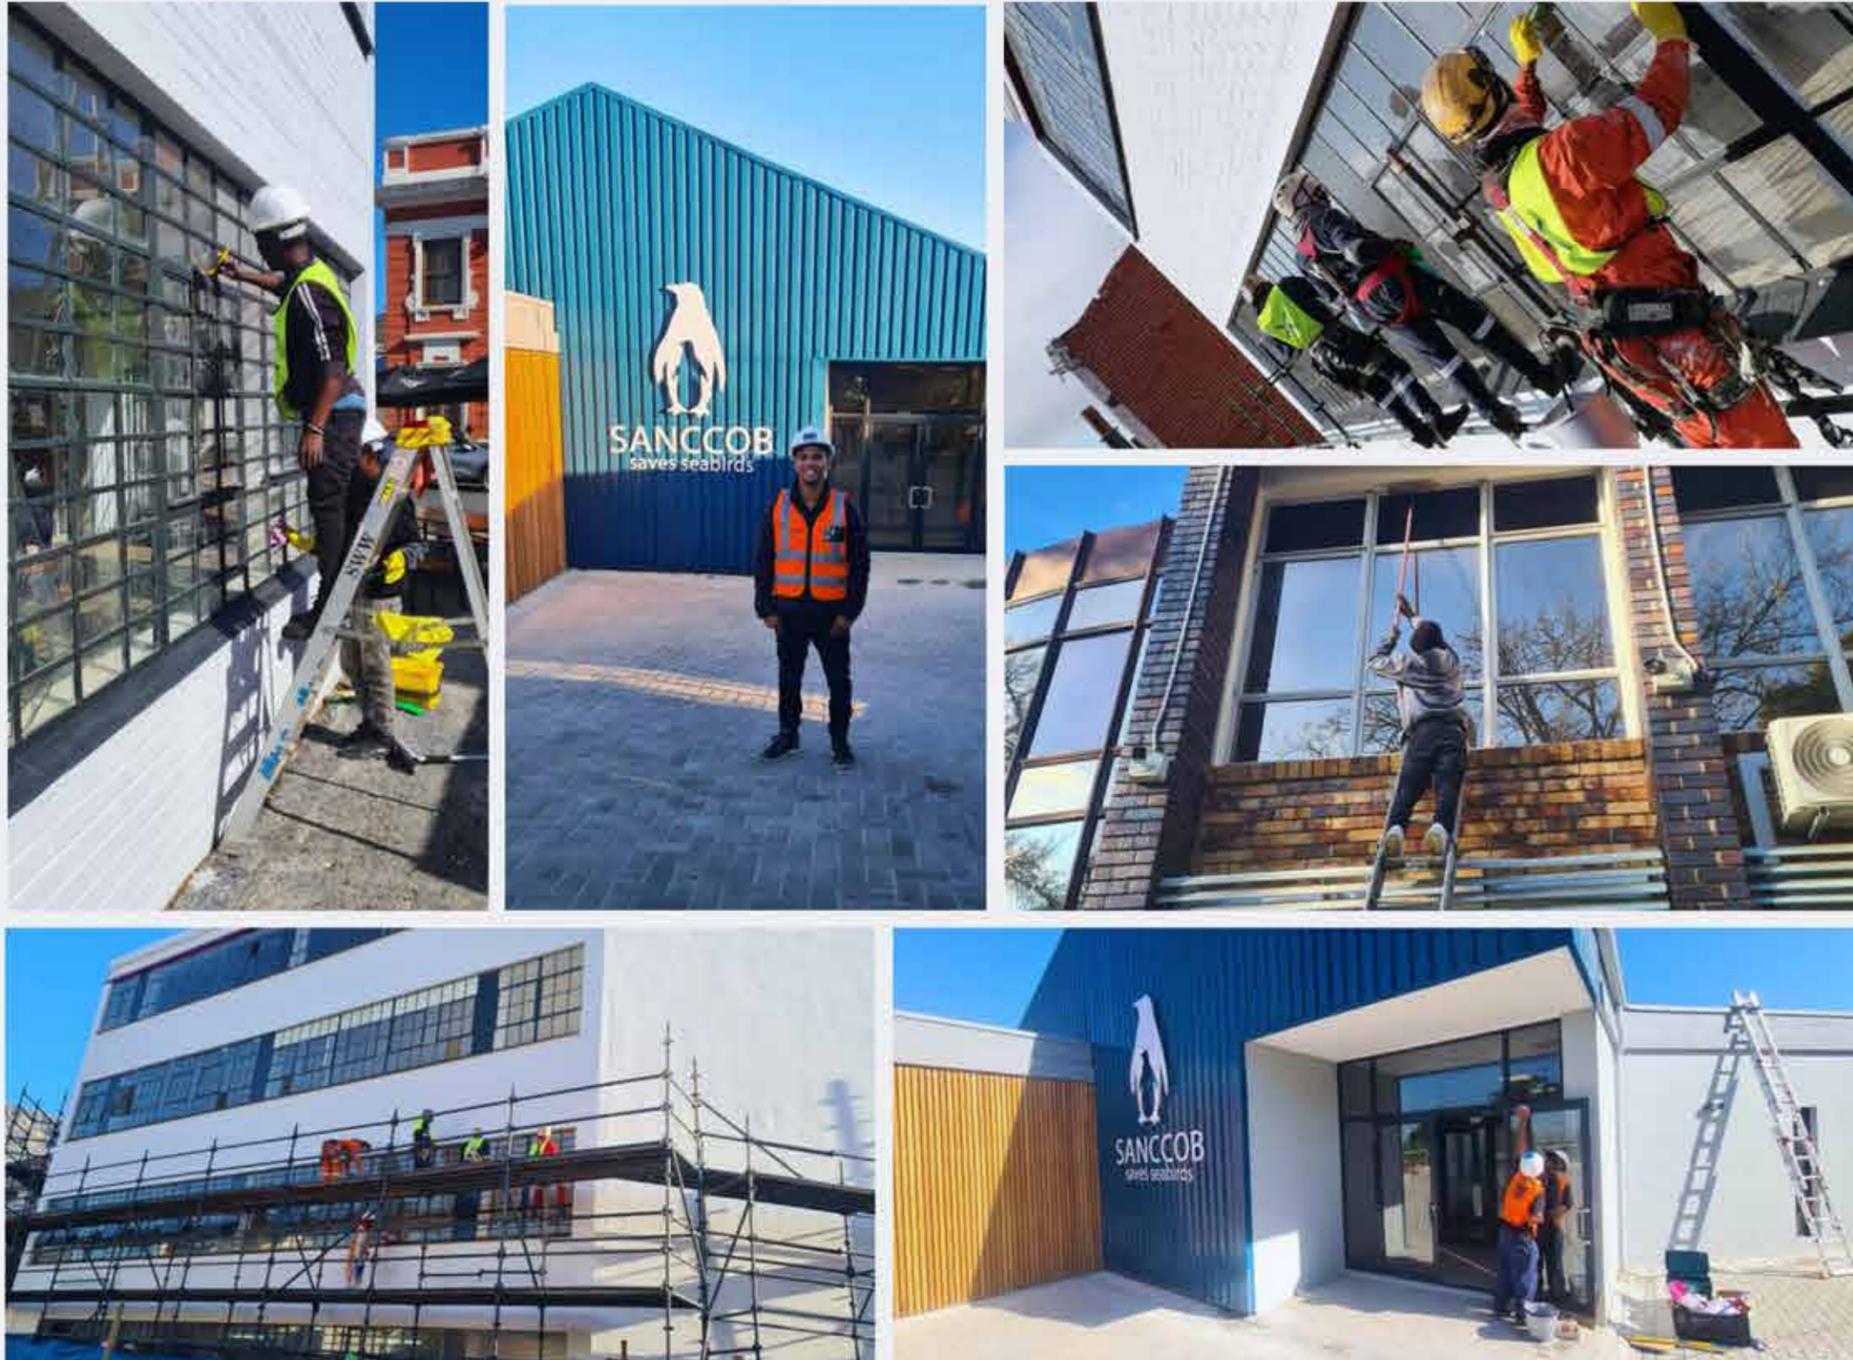

To that ensure your property remains in top condition year-round.

- Minor Repairs: Fixing leaks, painting touch-ups, door repairs & other small fixes to maintain the aesthetic and functionality of your property
- Seasonal Maintenance: Gutter cleaning and prepping your property for the changing seasons.
- General Upkeep: Maintaining the exterior of your property, such as paving, plumbing, ceilings, painting, aluminium windows & doors

# Market Analysis

## Industry Overview

The property maintenance and cleaning industry is a growing sector, driven by increasing demand for both residential and commercial property upkeep. With urbanization, population growth, and a rising emphasis on cleanliness & hygiene, the market for maintenance services, including deep cleaning, post-construction cleanup, pest control, and general property maintenance, continues to expand. The demand for eco-friendly and efficient solutions is also rising as businesses and homeowners seek sustainable practices.

## Target Market

**Residential Clients:** Homeowners, tenants & property managers who need regular property maintenance, deep cleaning specialised services such as post-construction cleanup or pest control.

**Commercial Clients:** Small to medium-sized businesses, corporate offices & property management companies that require professional cleaning services, maintenance, and property upkeep for offices, retail spaces, and commercial buildings.

As businesses and consumers become more focused on maintaining clean, healthy environments, especially in the wake of the COVID-19 pandemic, there is a growing market for reliable, high-quality property maintenance and cleaning services.

# Market Analysis

## Competitive Landscape

The property maintenance and cleaning industry is fragmented, with a mix of local, regional, and national players offering similar services. Major competitors include specialised cleaning companies, maintenance providers, and large-scale facility management firms. However, JK Smith Contractors can differentiate itself through:

- **Comprehensive Service Offering:** Providing property maintenance & professional cleaning services under one roof, offering added convenience for clients
- **Expertise and Experience:** With over 10 years of experience in the industry, we have built a reputation for reliable, high-quality service
- **Personalised Solutions:** A strong focus on tailoring services to meet the specific needs of each client, whether for residential, office, or post-construction projects

## Market Trends

- **Increased Demand for Professional Services:** With busy lifestyles, more property owners and businesses are outsourcing maintenance and cleaning tasks to professionals for convenience and quality assurance
- **Sustainability:** Eco-friendly cleaning products and sustainable maintenance practices are increasingly important to clients. There's a growing trend toward using environmentally responsible solutions
- **Technology Integration:** Many companies in this sector are adopting technology for scheduling, customer communication, and project management, making operations more efficient and improving customer experience
